

Dear

On behalf of the National Popular Culture Association & American Culture Association, I would like to thank you for presenting at our 2010 National Conference, held this year at the Renaissance Grand Hotel St. Louis, from March 31 through April 3, 2010.

We hope you'll join us again next year in San Antonio, Texas, for a joint 2011 National Conference with the Southwest Texas PCA/ACA.

Best wishes,
